Dear Ms. Yacknin,

Thank you for forwarding your briefs to Lambda. As I mentioned in our conversation last week, Lambda is interested in possibly being amicus in the case. At this time we can not make a final decision as to whether or not we will be able to get involved.

Please let us know as soon the City files its brief. We would like to see the City's brief as soon as possible.

Lambda will actively consider being amicus in this important case. Thank you for extending the opportunity for involvement to us. Please keep us informed of any relevant developments.

I look forward to hearing from you soon.

Sincerely,

Nicole Barnum
Legal Intern
